SHOW RULES

1. Each exhibitor must first register with the clerk and receive an exhibitor's number to be used on all his/her entry tags. Entry tags (standard Midwest Dahlia Conference Show tags only) must be completely filled out by exhibitor using black or blue ink, and placed when exhibits are staged. The exhibitor's name number or any means of identification must be sealed until after the judging.

- 2. Each exhibitor shall select the classification: " Novice" (anyone exhibiting dahlias for the first time--new exhibitors can exhibit in this category for three years), "Small Grower" (all members growing from 1 – 150 dahlias) or "Large Grower" (all members growing 151 or more dahlias, commercial growers growing any number of dahlias, and exhibitors growing under cloth or lath). Novices must show all of their blooms in the Novice Section.**
- 3. All entries must be made and placed by 10 AM on the first day of the show, after which time they shall be under the exclusive charge of the Show Committee. No exhibit shall be removed before 4 PM on the final day of the show. The building will be open to exhibitors at 6:30 AM. All blooms shall be the property of the committee, to be disposed of at their discretion after the show.**
- 4. A commercial Exhibitor or Large Grower may enter only in the Open classes.**
- 5. To compete for a trophy or medal, a person must be a member of the Southeastern Michigan Dahlia Society prior to the judging. An exhibitor who is not a member of SEMDS, but is a member of a recognized Dahlia Society or an affiliated group will receive a bronze medal in lieu of any trophy or medal which might be won.**
- 6. An exhibitor may make as many entries as he/she desires in any class in which he/she is entitled to exhibit, provided all the blooms have been grown by him/her in their own garden. Blooms in the Arrangement Division are exempt from this ruling and may not necessarily have been grown by the exhibitor.**
- 7. The latest ADS Classification Listing shall be used in judging and by exhibitors.**
- 8. ADS ruling (1971): Every bloom must be entered on the show table as officially classified, including under and over-sized blooms. This applies to all classes. To illustrate: A "BB" size variety that is grown under 4" or over 6 "must be entered in the "BB" class. Regardless of size, a bloom must be entered as officially classified.**
- 9. The proper section and class of each entry shall be recorded by number and letter on its entry tag. With the exception of arrangements, the variety, name and/or number of an undisseminated flower must be recorded on the entry tag. An entry shall not be judged where this rule is violated.**
- 10. The Show Committee shall attempt to catch misplaced entries (color or type) and will reclassify them, if possible, before judging. If possible the Show Committee will notify the exhibitor to correct the error before the judging begins.**

11. Buds showing color shall be counted as blooms when number of blooms is specified.
12. The decisions of judges shall be final unless the Show Committee requests a re-judging.
13. Standard containers shall be furnished for specimen blooms. Exhibitors must furnish containers for entries in those classes requiring vases, bowls, and baskets and for classes to be judged for artistic effect.

14. In counting points for Sweepstakes, the scoring shall be as follows:

	<u>ONE BLOOM</u>	<u>THREE BLOOMS</u>	<u>FIVE BLOOMS</u>
1 ST	3 points	5 points	7 points
2 nd	2 points	4 points	6 points
3 rd	1 point	3 points	5 points

	<u>SEVEN BLOOMS</u>	<u>ARRANGEMENTS</u>	<u>SPECIALS</u>
1 st	10 points	7 points	3 points
2 nd	8 points	6 points	
3 rd	6 points	5 points	

LARGEST SINGLE BLOOM IN SHOW – 3 points

15. The Show Committee will not be responsible for loss or damage to exhibits or personal property of exhibitors, but will exercise utmost care for protection of all exhibits.
16. All blooms become the property of the Society and no blooms may be sold or given away during the show. No blooms may be removed from the show except with the consent of the Show Committee.
17. Wiring of stems, or artificial support of stems or blooms above the container is prohibited. Wedges are permitted but cannot exceed 1/2" above the container.
18. All blooms must be disbudded.
19. Meritorious exhibits, not otherwise provided for, will be appropriately recognized.
20. During judging, no person shall be on the floor except judges and necessary aides. Identifying ribbons will be worn by all authorized personnel during judging. All others will be asked to leave the floor. Ribbons of identification are to be returned to the Show Committee at the close of judging

- 21. The Show Committee will make arrangements to relocate exhibits for a more even distribution before judging. No class numbers will be removed from the tables where there are no apparent entries, but will be arranged to consolidate space.**
- 22. Blooms competing for Special Awards shall be Blue Ribbon winners.**
- 23. The Show Committee reserves the right to change or modify any of the rules if deemed expedient.**
- 24. The awards schedule will show the sections where sweepstakes will be awarded.**
- 25. Between 9:00 AM and 10:00 AM unclassified dahlias should be brought to the classification table where that committee will make a decision and write upon the entry tag the proper class for that entry. The judges will abide by those decisions. The classifier will initial the entry tag: the exhibitor will then be responsible for placing his/her entry on the proper table.**
- 26. Stems on specimen blooms should be in proportion to the size of the bloom and must show at least one pair of leaves above the container. The top of the bloom must not exceed 36" above the tabletop.**
- 27. The Show Committee reserves the right to remove from display any unworthy or improperly displayed exhibit.**
- 28. In case of a tie on sweepstakes, the exhibitor with the larger number of Special Awards in that section will be declared the Sweepstakes winner.**
- 29. An exhibitor having a cloth or lath enclosure must exhibit all of his/her blooms in the Open Section even though some of his/her blooms were grown in a non-shaded area.**
- 30. Class numbers in all sections from Section D to and including Section F, shall consist of four digits (see chart below). The first digit indicates the size (0-4) or type (60-97), the second form (0-5), and the third two-digit number (01-15) color.**
