How did it happen ?

The beauty !

- **You and the Bee did it**
- **It's Brand New**
- **And now you name it**

Dahlias.net

- **Start first of March**
- **Use fine seed mixture**
- **Place seed 1/4" in soil**
- **Keep soil damp, not soggy**
- **Germinates in 1-3 weeks**
- **Process is temperature dependent**
- **When plant has 2 sets of leaves**
- **Transplant**

SO WHAT!
